Look Pleasant, Please.

Photographer C. C. Harlan, of Eaton, Ohio, can do so now, though for years he couldn't, because he suffered untold agony from the worst form of indigestion. All physicians and medical men failed to help him till he tried Electric Bitters, which worked such wonders for him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles. Unrivalled for diseases of the stomach, liver and kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by all druggists.

A Bad Butcher.

John Boch, an employee of the Fink meat market, Santa Fe, was brought before Police Judge Conklin on the 12th instant and fined \$50 and costs for carrying concealed weapons, and in default of payment of fine was jailed. The complainant in the case was Otto von Klitzken, step son of Anton Fink, who saw Boch with a gun about his person. Boch was also charged with threatening to shoot young Klitzken, and was bound over under the

sum of \$200 to keep the peace for the next six months. He was jailed also on failure to procure bond. Saturday Boch requested the jailer, Frank Griego, to escort him to the Bon-Ton restaurant, where he had a room. In order that he might change his clothes. But instead of getting a change of apparel he pulled a big gun out of the valise and threatened to kill himself and the jailer too if he were taken back to jail. However, with the aid of a passing policeman, Griego succeeded in disarming the prisoner and lodging the same back in jail, and in future this fellow will be watched more closely.—New Mexican.

Acker's Blood Elixir positively cures chronic blood poisoning and all scrofulous affections. At all times a matchless system tonic purifier. Money refunded if you are not satisfied. 50c and \$1. J. H. O'Reilly & Co. and B. H. Briggs & Co.

Elwood Fair Race Meet.

Elwood, Ind., Aug. 19.—The race meet of the Elwood fair which opened today is the most notable ever held here both as regards the number of events and the size of the purses offered. The stables are full of fast horses that are following the circuit, and with good weather the four days' meeting will set a new record for Elwood.

All Were Saved.

"For years I suffered such untold misery from bronchitis," writes J. H. Johnston, of Broughton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for consumption. My wife suffered intensely from asthma, till it cured her, and all our experience goes to show it is the best croup medicine in the world." A trial will convince you it's unrivaled for throat and lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at all druggists.

Haughty Mescalero Indians.

A dispatch from Alamogordo, to the Denver News, says: The proclamation of President Roosevelt setting aside a vast forest reserve of about 376,000 acres of timber land came as a distinct surprise to the people of New Mexico. This vast tract, which will be known as Lincoln forest reserve, joins the Mescalero Apache reservation on the north and east, and lies about one-fourth in Otero county and the remainder in Lincoln county. It is well timbered and covered with grass. During the past several years considerable effort has been put forth to set aside for homestead entry and mining locations portions of the great Mescalero Apache Indian reservation, containing 480,000 acres, over which the small remnant of a once blood-thirsty tribe now wander. The Mescaleros are a pastoral and agricultural tribe, but have no earthly use for such a vast tract. But since the president has seen fit to set aside a vast tract adjoining this reservation it is considered futile to try and get any of the Mescalero reservation opened for settlers.

A Necessary Precaution.

Allays inflammation, clears the head, soothes and strengthens the mucous membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immediately. Children like it. B. H. Mrs. Pickard's Birthday.

The mother of Samuel Pickard, of the First National bank, had a birthday the other day at Farmington, and the Hustler of that town says: "A very happy and enjoyable surprise party took place Monday evening when by pre-arrangement about forty of Farmington's most popular old and young folks met at the residence of W. H. Chamberlin and from there proceeded to the home of Mrs. Pickard."

ceeded, with an abundance of good things, to the home of Mrs. H. A. E. Pickard, to assist that lady in appropriately celebrating her sixtieth birthday. Games and guessing contests were soon arranged and occupied the time until the supper hour, when all sat down to a daintily prepared luncheon, after which more games and laughter whirled away the time until midnight, when the guests departed for home after wishing the hostess many more equally happy birthdays and years of continued prosperity. "Ma" Pickard, as she is called by those who know her best, is one of the early pioneers of the west, an example of God's own children, dearly beloved by everybody for her kindness of heart, cherry disposition and sympathetic nature in time of sickness and distress. May she live a thousand years, is the wish of the Hustler.

JEMEZ HOT SPRINGS.

A Big Crowd of Visitors Now at Bernillo County's Fine Resort.

Special Correspondence. Jemez Hot Springs, N. M., Aug. 18.—Late arrivals at Block's hotel are Narciso Pino and wife, Cubero; S. B. White, Jemez Pueblo; F. J. McCormick Santa Fe; Joseph Burner, Albuquerque; Peter Kitchen and family, Gallup.

E. M. Sanjule arrived from Gallup a few days ago and went into camp with his family who are pleasantly located at L. A. Judt's. James Lucero and wife, of Cerrillos, after an enjoyable sojourn for the past month, left on Block's stage this morning.

H. C. Leeds is slowly recovering with chances quite favorable for entire recovery. This will be good news to his many Albuquerque friends.

John A. Lee and Ben Bothe, of Albuquerque, visited for a couple of days last week with Mr. Leeds. Hank Thomas has about got rid of his rheumatism and says he will return to Albuquerque about September 1 and those fellows that he has got it in for had better dodge the corners when they get sight of him.

Mrs. Hoffman and Mrs. Spears and daughter of Albuquerque are improving and enjoying themselves greatly. Charles Melini and two friends left this morning for the Sulphurs to remain a couple of days. They are having a good time.

Matthew Reynolds, United States attorney for the land court, was at the Sulphurs last week "boiling out."

The springs are booming. Both bath houses have about all the business they can attend to. Block's popular hotel is well patronized. Joe Hale, chef, has charge of the culinary department, and he is as good as any chef that ever trod the sands of Arizona or New Mexico.

James T. Johnson is a guest at the Stone hotel. Block's stage came in loaded with passengers every trip last week.

Foley's Kidney Cure is a medicine free from poisons and will cure any case of kidney disease that is not beyond the reach of medicine.

Turning Gray?

Why not have the early, dark, rich color restored? It's easily done with Ayer's Hair Vigor. Nearly everybody uses it. Ask your own friends. Probably they know how it always restores color, checks falling, and keeps the hair rich and glossy.

"I have used Ayer's Hair Vigor and have found it a great remedy. It checked the falling of my hair when all other remedies had failed."—Mrs. G. A. Morrison, Millinocket, Me.

CLOUDCROFT SHOOTING.

A Deputy's Bullet Strikes a Railroad Machinist.

"Mike Corrigan, a machinist in the logging camp at Toboggan, was shot through the lungs Sunday afternoon by a deputy sheriff named Poe in a bar room near the Cloudcroft reservation.

A brakeman on the logging railroad named King with some of his friends made a "rough house" in the saloon and Poe tried to put them under arrest. King turned on Poe, threw him up to the ground, and was beating him up pretty badly when the deputy sheriff pulled his gun. A ball grazed King's forehead cutting the brim of his cap and Corrigan, who was an innocent bystander, was pierced through the lungs by another shot. Corrigan was taken to Cloudcroft and the doctors say that though badly wounded there is some hope of his recovery.

Poe proceeded immediately to Alamogordo and gave himself up.

He is now in jail awaiting the result of Corrigan's injuries.

He made the ride from Cloudcroft to Alamogordo in forty-five minutes.

Think of buying outing flannels, the regular 12 1/2 cent kind at 6 1/2 a yard. Lion Store.
